Dear Howe Island Residents,

We are pleased to inform you that the Ministry of Transportation (MTO) is making steady progress toward improving ferry service for Howe Island. As part of their efforts, MTO has completed the necessary Vendor of Record process and will soon be obtaining proposals from prequalified companies to secure a naval architect.

We will keep you updated as more information becomes available. Thank you for your patience and ongoing support as we work toward a more efficient and reliable ferry service for Howe Island.
