Dear Mayor Greenwood-Speers,

Thank you for reaching out to request an update on the Wolfe Island ferry service.

The ministry is diligently working to resume service from the Marysville terminal as soon as possible. MTO's service provider has been carrying out troubleshooting of the ramp which has had intermittent hydraulic operations issues.

The Wolfe Islander IV (WI4) is currently undergoing further inspection and repairs in Hamilton, and this work is a priority for the ministry. The vessel will return to service once repairs have been completed.

We will provide updates as this work progresses and more information is available.

Sincerely,

A handwritten signature in black ink that reads "Franca Sacchetti". The signature is written in a cursive, flowing style.

Franca Sacchetti
