Dear Vanessa Latimer,

Thank you for reaching out for an update on the status of the Wolfe Islander IV.

I can confirm that repair crews continue to make progress on the vessel. An estimate of when the dry dock work will be complete is not yet available, as this is dependant on a range of external factors.

Repairing the Wolfe Islander IV remains a priority. Once the repairs are finished and the vessel is ready to return from Hamilton, we will share another update.

In the meantime, thank you for your efforts to gather community feedback on the preferred timing of the layover period. We look forward to receiving the Township's recommendation.

Sincerely,
